

Re: Docket# 98N-1038, "Irradiation in the Production, Processing,  
and Handling of Food."

2571 '99 MAY 18 P2:00  
I want the FDA to continue prominent labeling of food that has  
been treated with irradiation. The label should be conspicuous and  
include the logo for irradiation.

Your Signature: 

Additional comments: I do not want to buy irradiated  
food. As a consumer I want to know  
if the food I am buying is irradiated or not

98N-1038
